PRESS RELEASE FROM THE SPEAKER

RE OPPOSITION MEMBERS OF THE FOREIGN RELATIONS COMMITTEE AND THE ECONOMIC SERVICES COMMITTEE NON-ATTENDANCE AT THE MEETING WITH HIS EXCELLENCY PRESIDENT ALI

The Speaker has noted in the media that the We Invest in Nationhood Party has said that the Speaker was written to and that

> 'there was no meaningful response, and as such, the party's Members of Parliament would not participate in the meeting'.

The Speaker acknowledges that he was written to by the Opposition Chief Whip, Ms Tabitha Sarabo-Halley asking several questions regarding the meetings which His Excellency requested with the Members of the two Parliamentary Committees. This was on Sunday and the Opposition Chief Whip asked for an early response.

The Parliament office early on Monday dispatched a letter to the Opposition Chief Whip Ms. Halley. wishes to make it very pellucid that all the questions that the Member raised were addressed.

It must be repeated that our constitution (Article 51) states that Parliament comprises The President and the National Assembly.
